FACULTY

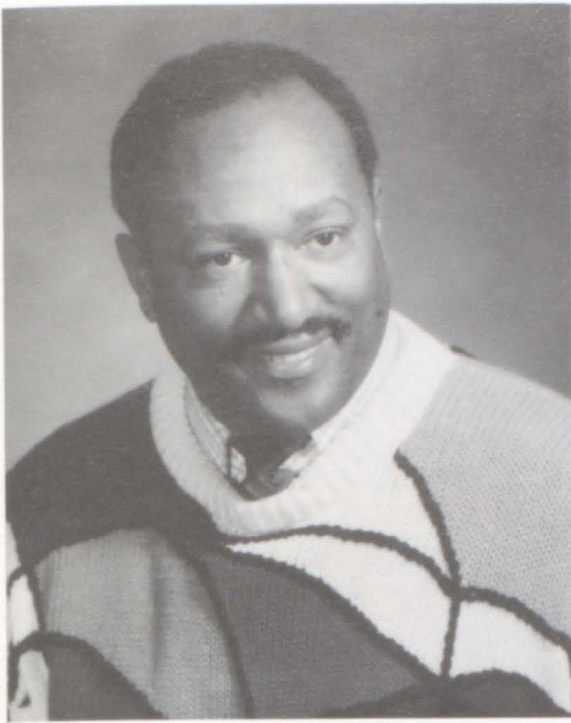

PRINCIPAL'S

MESSAGE

MR. MARC MAURICE

I am honored to salute the class of 1998. "The good name of a school rests with its students." You have provided the leadership needed to promote all the positive changes that I am bringing to our institution. To me, you symbolize changes occurring during the renaissance of Central High School.

MR. GREGORY STEWART

VICE PRINCIPALS

MS. CAROL LEONE

MRS. L. MAE RIVERS
Chairperson

MS. GLORIA ARLAK

MR. RODNEY ASHBY

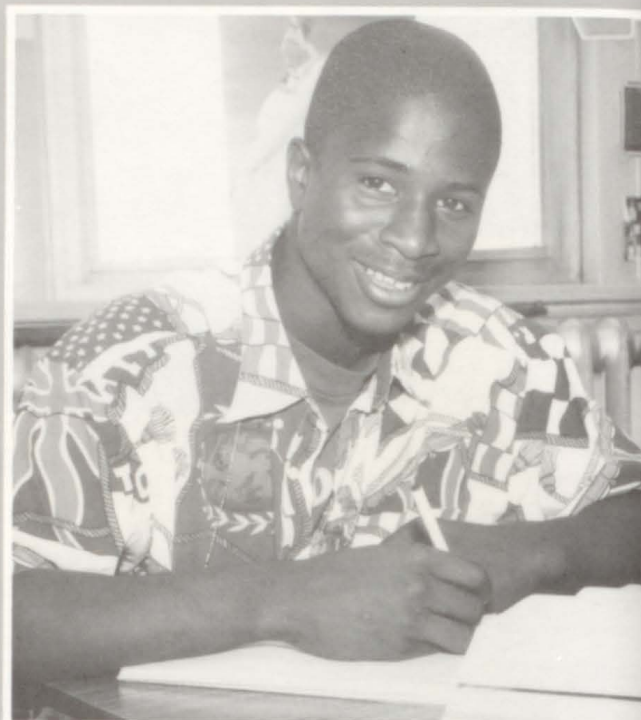

MR. ROBERT J. AUSTIN

The English department considers it a worthy challenge to promote the integration of language and literature in an interesting, stimulating way. Our goal is to aid students in developing a positive attitude that enables them to find meaningful, satisfying experiences that will connect reading and writing to the world around them.

We attempt to expose students to literature that draws on life, thereby encouraging and stimulating them to engage in shared exploration.

The state's initiative to place additional emphasis on listening and speaking skills provides opportunity to add a lot more fun to the curriculum. Students are encouraged to examine what they know, expand their knowledge and enrich their reading and writing experiences. Consequently our students will become part of a community of readers and writers.

Mathematics

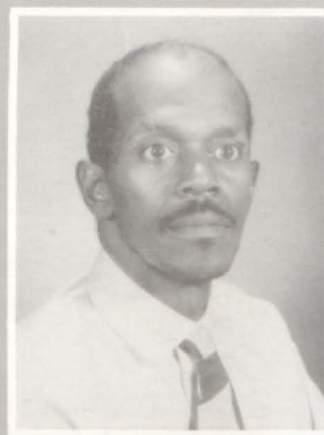

MRS. JERLINE MCCRAY
Chairperson

MRS. MARTINA CEPHUS

MR. JIM E. DUMAS

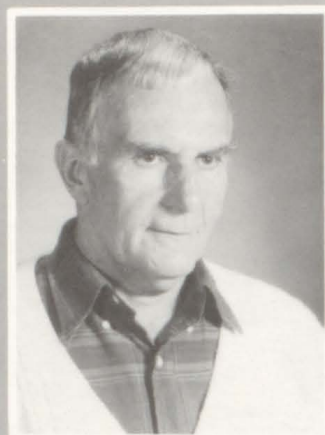

MR. WAJID HAQQ

The math department has a curriculum that fosters mathematical skills and understanding that will empower students to succeed in school, their careers and daily lives. Math is being taught in a different way, moving away from the traditional teaching to more usable (life related) math, integrating more technology in the learning activities and assessing students differently.

Enrichment and tutorial services are provided to students before and after school and during lunch periods.

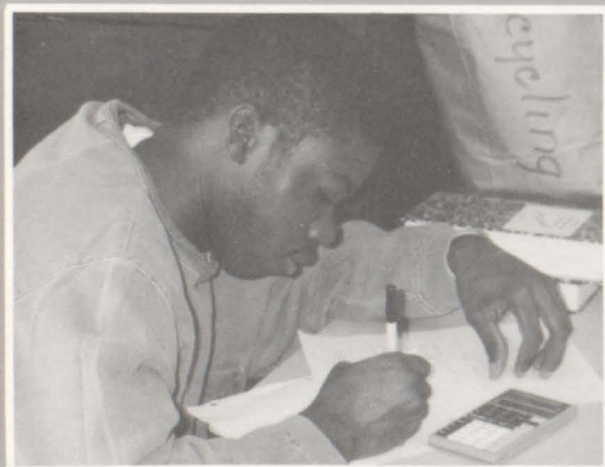

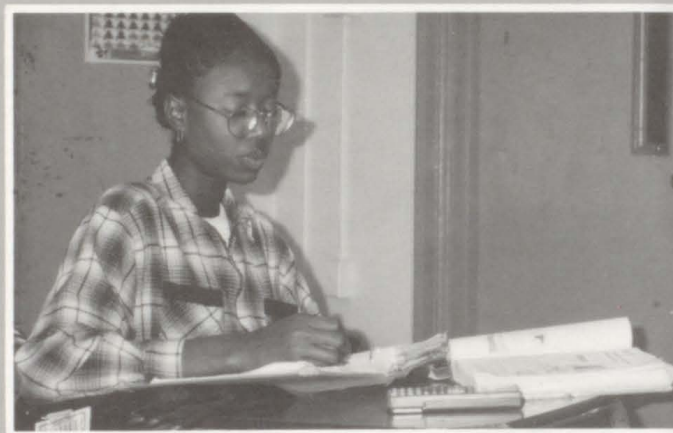

The department consists of dedicated, committed and concerned educators.

MR. STEVEN COLE
Athletic Director

MRS. DONNIE CIURCZAK

MS. DEVORA A. D'ERCOLE

Health and physical education is a four year course that must be completed satisfactorily before a high school student can graduate. The broad scope of our program at Central High School is to provide each student with the opportunity to achieve their goals.

The faculty of health, physical education and aquatic at Central High believe that health and physical education is an integral part of secondary education. We believe that every student has a fundamental right to an education and we attempt to furnish a quality and efficient health, physical education and aquatic program.

MS. JULIE C. DEVINE

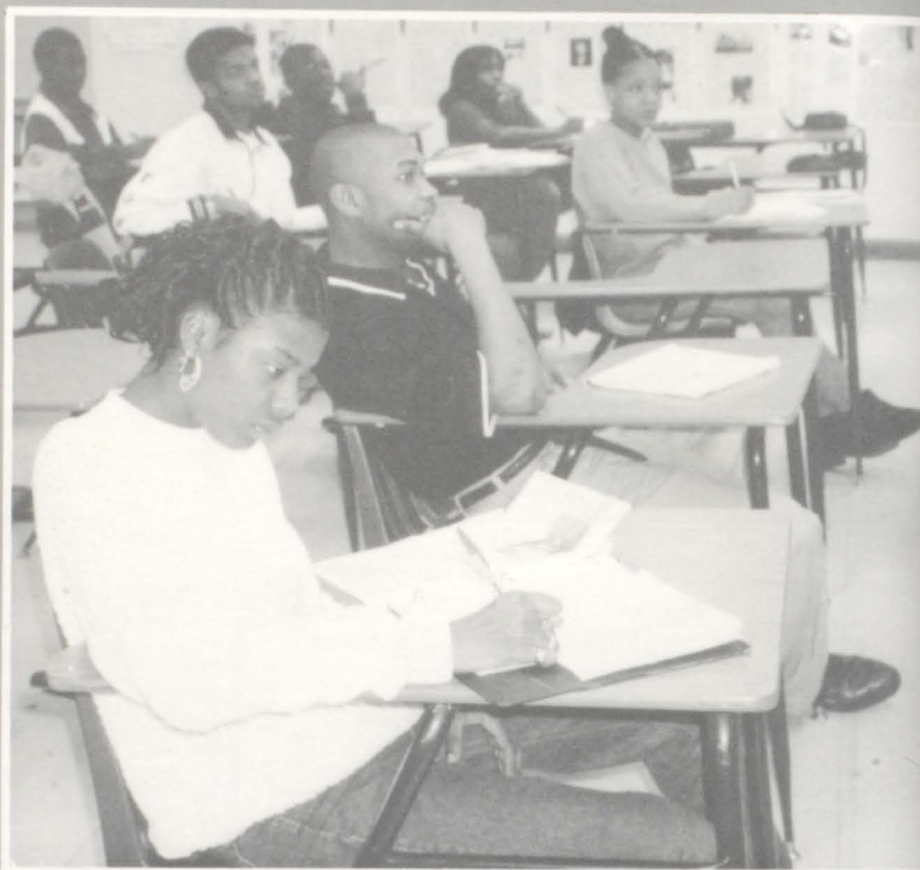

MR. ROBERT A. DESTEFANO

The Social Studies Department of Central High School proudly offers a balanced program of required courses, electives and extra curricula activities that appeal to our bright and eager students of diverse ethnic and cultural backgrounds. The Social Studies Department has established and maintains the highest standards of student academic quality. Student productivity and scholastic development are stressed in all grade levels.

The department is committed to:
Motivating our students to obtain excellence and reject mediocrity.
Promoting a balanced environment of compassion and firmness while nurturing our students to grow socially and academically.

Knowledge of history is essential to a liberal education and one of the fundamental requirements for effective citizenship. To this end, we offer our students World History, U.S. History I, U.S. History II, African American History and Sociology. Additionally, extra curricular activities such as the African American History Club, Junior Achievement, Law Partnership and the Close-Up Program are offered to our students.

OUR RETIREES SAY GOOD-BYE

My Final Words to the Class of 1998:
A Glorious "Social Renaissance" is on the horizon!

"Strive to be the best that you can be" as you pursue the career goal of your choice. Some of you will move on to formal educational programs at the college or university level, while others in the class will achieve personal gratification from working directly with people through special occupations or community services. However, whatever your final decisions will be, please remember to indulge yourselves in daily readings, in the form of newspapers, magazines, journals and Reader' Digests, as a means of staying abreast of the issues that will impact on your personal well-being as well as that of those you hold in high esteem.

"Thank you" members of the class of 1998 for challenging me to inspire you via a modest form of discipline, words of encouragement, or just a smile. And now, as I prepare to embark upon a new challenge called 'retirement', I am hopeful that this new phase in my life will be equally as fulfilling as my educational endeavors, primarily because many of you will become the teachers/administrators, the physicians/nurses, the health care providers/social workers and the ministers/community servants that will help to make our world become a place where everyone can life in 'perfect harmony'.

Good Luck, God Speed!

Eleanor J. Crutchfield

Life's journey is fraught with pitfalls, steep hills, quick turns and deep valleys. Sometimes we are slow to see the signs that would alert us to a change in the path.

I have come to this change in the path and embrace this change with "joy and jubilation", with many fond memories of my stay at Central High School.

I have formed many friendships with students, staff and administration that will last a lifetime. I hope I have enriched some lives and prepared others with the knowledge and courage to make new and better choices. I implore the Class of 1998 to remember, "Education is a tool for transforming and revitalizing lives, with it, all dreams are possible."

Kudos!!

"May the universal light forever shine on your journeys."

Doris Dortch

To all the students who made teaching art fun, THANK YOU.

Carol S. Jacobs

Message to the graduating class of 1998

Dear students,

Congratulations to you all! As you leave Central High may you always be blessed at each step that you take. Remember that I have very high expectations for you. You can do it! The world is waiting!!!!

With fond memories and blessings!

Bon Chance!!

Buena Suerte!!

Good Luck!!

Anita C. DuBois-Lewis

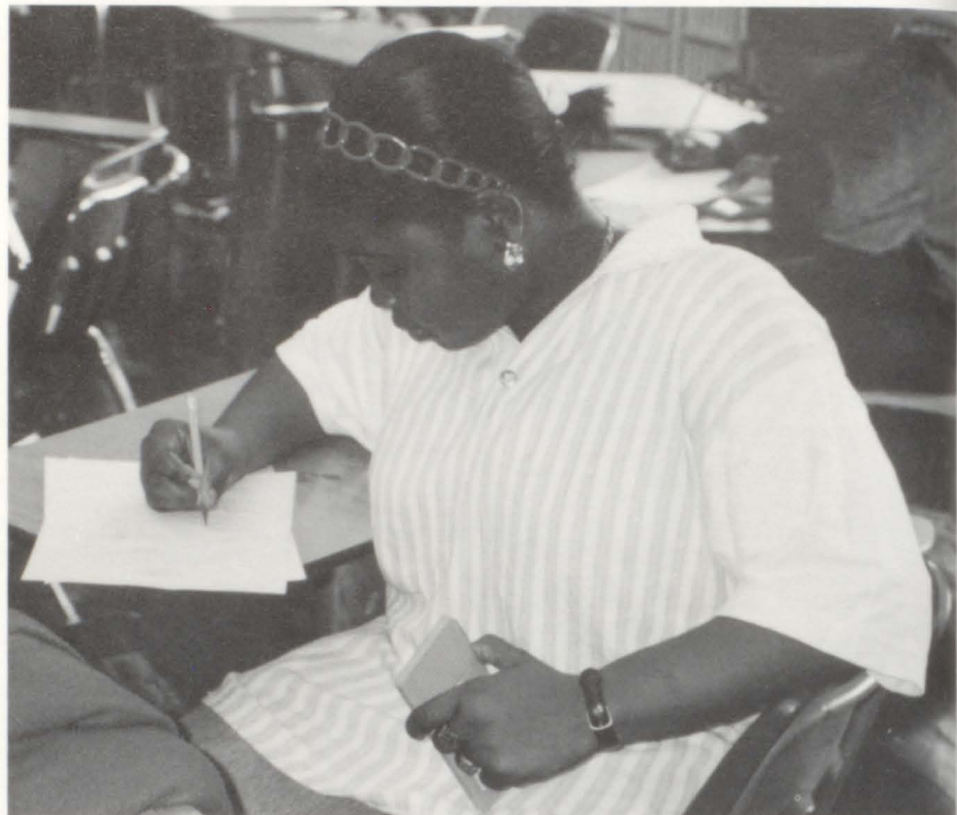

On Retiring

Since retirement means "stopping work", at this time I probably don't fill the profile of a typical retiree. Physically and mentally fatigued, unmotivated, emotionally exhausted and "fed up" are terms that definitely do not describe L. Mae Rivers.

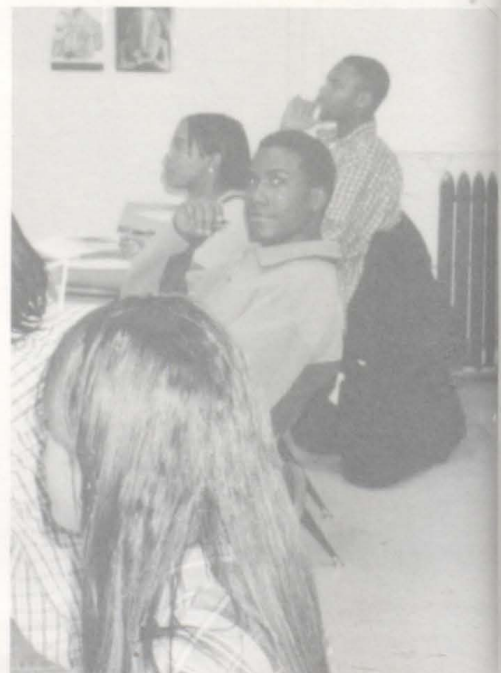

I have never regretted selecting a career in "education" as my life's work. It continues to give me satisfaction to motivate and assist young people prepare for the future. So at this point I shall simply adjust my working hours so that I will have a little more free time for myself.

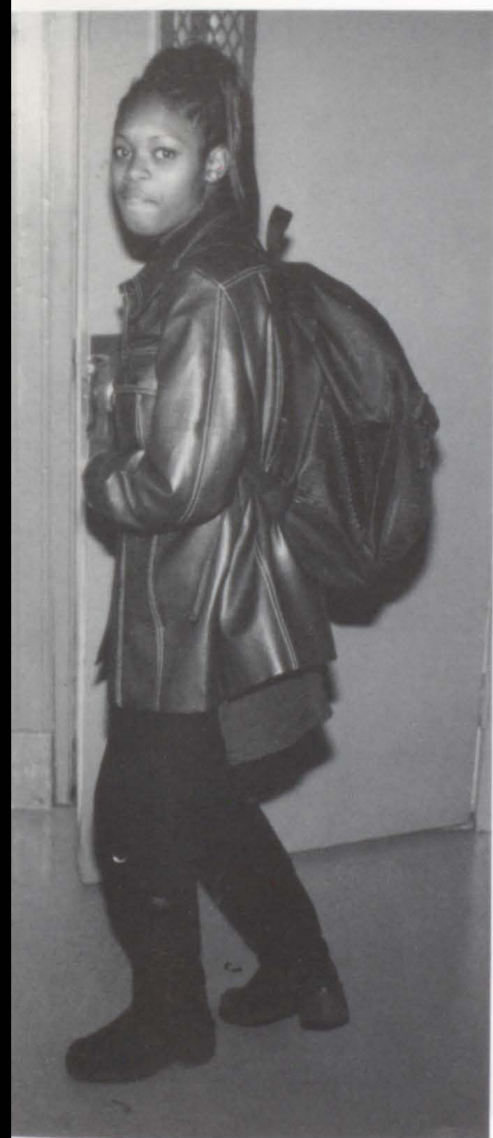

At the same time I shall continue to encourage, stimulate and motivate young people.

Valedictorian

Teneya Harrison

We Shall Not Be Moved by Teneya Harrison

Being a senior at Central High School can bring a lot of stress, but we've made it. Many people have downed our school, disowned us, and tried to tear us down, but we still stand strong. I would like to congratulate the graduating class of 1998, and wish you well in all your endeavors. I am honored to be the valedictorian of this senior class, and I hope my example will inspire others to walk in our footsteps. I view Central High School as one of the greatest schools in the city of Newark because of its diversity and cultural complexity. I do not believe that in any other school would I have received the one-to-one communication and guidance that I have with my teachers. I thank everyone for their support, and the knowledge that they passed on to the senior class of 1998; and I hope that someday we will be able to do the same.

Love, peace and prosperity to everyone in the class of 1998.

Salutatorian

Tenaysha Gunn

Congratulations to the class of 1998! It has been a long four year journey, and it is time for it to come to an end. Some of us have had to struggle the whole way through, and others "breezed" through. We the class of '98 have reached the milestone of adulthood. This is the time we make decisions which will determine the rest of our lives. I am proud to be the salutatorian of the graduating class, which would have not been possible without the support of my family. For all of the students who may have fallen short of graduation: stay focused and determined; things will surely start to go your way. Good luck to the class of '98 on your future endeavors.

Congrats,
Tenaysha Gunn

President's Message

To the Class of '98:

I would like to congratulate you all on your many achievements as students at Central High. It has truly been an honor and my pleasure to serve as the president of this ambitious, talented class. We have journeyed down this path together for four years. Now it is finally time to venture out of Central High and start a new, exciting chapter in our lives. As fellow students, we have all contributed so much to each other's lives in our own special ways. Some by sharing words of wisdom, others through sharing expressions of their unique talents via poetry, singing, rapping or dance. Over the past four years we have shown ourselves quite capable of making valuable contributions within the walls of our school. We are now faced with the challenges of taking the knowledge we have acquired and making our mark on the societies that dwell outside of these walls. We have prepared ourselves well. I know that you all are well on your way to achieving total success in the future. It is with complete confidence and pride that I can say I have no doubts in the abilities of the students in the class of '98. Although I will miss you all greatly, I find comfort in the many fond memories of our years together at Central High. I wish you all much love, peace and prosperity as we go our separate ways.

Soccer

With returning lettermen - Odson Pierre-Louis, Marc Rousseau, Eric Marfo and Patrick Owusu, Central High fielded a very competitive team in the tough Mountain Valley Conference. A strong group of newcomers - Wilmer Zambrano, Yves-Emmanuel Fabien, Akwasi Amponsah, Alex Anthonypillai, Deawaika Dolo, Keller Alphonse, Anthony Thomas, Patrick Ange Kodja, Erkman Constant, Josue Moinvil, Kwusee Bull, Iddosa Abogaro - along with the veterans, challenged the best teams in Union, Somerset and Middlesex counties. The team spirit and locker room comradery led to competitive play game after game. Consequently, almost half the team received All Mountain Valley Conference recognition. Co-captain Odson Pierre-Louis, who was a 2nd Team mid-fielder last season, was selected Honorable Mention as the Blue Devil's goalkeeper. Co-captain Eric Marfo was selected 2nd Team at forward (offense); Marc Rousseau, 2nd team fullback (defense); Patrick Owusu, 2nd Team, midfield (offense); Anthony Thomas, Honorable Mention, fullback (defense); Wilmer Zambrano, Honorable Mention midfield (offense); and Akwasi Amponsah, Honorable Mention forward (offense). The recognized skills of the honorees and the experience gained by the young Blue Devil team make the 1998 season look very promising. Twelve of the sixteen players return and are eagerly preparing for next year!!

Cross Country

The Central High School Boys' Cross Country team finished the 1997 season with a winning conference record of five and two, placing 6th in the Mountain Valley Conference and 17th in the Essex County Cross Country Championship. Special recognition goes to Albert Walters with two first place finishes against North Plainfield and Hillside High School, and newcomer Antwion Walters.

Although the girls' conference record was only two and five, the team is definitely on the rise with Sharonda Frazier finishing no lower than fourth in every conference race and newcomer Simone Ray finishing fourth in the MVC Freshman 3200.

We also say farewell to senior Charles Dazilme whose contribution will be missed.

Cheerleaders

In September of the '95-'96 school year I became the cheerleading coach which proved to be no easy task. During the 1996-1997 school year the cheerleaders competed in four competitions.

We won three first place trophies and a trip to the National Cheerleaders Conference in Virginia. Due to lack of funds we were unable to participate. In May of 1997 the Marriott Hotel in Newark International Airport and other sponsors from the City Council allowed us to participate in the competition at Hershey, Pennsylvania, where we took first place.

In February 1997 we held the first circus in the Newark school system, performed by the Yankee Doodle Circus from New York. We sponsored this circus again this year.

We will be losing one of our cheerleaders this year, a senior, Miss Tameesha Batchelor. She will truly be missed, with her bright, warm smile. "Miss Smiley" kept the team laughing and was always in high spirits.

We, the cheerleaders of Central High School, would like to give special thanks to Ms. Deirdre Smith, our designated photographer for all our affairs and Ms. Mingnon Manns and Mrs. Gail Yates for their help and support.

Our mascot, Miss Treasure Moultrie is a fifth grader. In her busy schedule she has time to help build the team spirit with her "Mother Act".

Our Captain, Miss Andrea Frazier, a sophomore, has been the captain since she joined the squad. She is a very good teacher and makes learning fun. Sometimes she gets a little "airy" about certain cheers, but this just makes learning the cheers all the more fun. "Miss Ting" gives the squad a chuckle at times.

Miss Rashida Young, a sophomore, has been a cheerleader for two years. She is "Miss Hot Stuff". She can split-split and split and feel no pain. She tries to have the shortest skirt but NO-No-No-.

Miss Tynesha Dickinson, a sophomore, has been a cheerleader for two basketball seasons. She's afraid of the cold and too busy running to cheer football season. She is "Miss Jewelry", she thinks she can't cheer unless she's in jewelry. No-No-No-.

Miss Syida Hooks, a junior, has cheered one football and basketball season. She is "Miss Singing Cheerleader" with the voice of an angel.

Miss Samantha Hendy, a freshman, has just joined the squad this basketball season. She is our "Miss Little Bit".

Miss Danese Spence is a freshman. The fans frequently refer to her as "the loosest cheerleader on the team".

Girls' Basketball

"Sisters, we have Unfinished Business!"

This was the battle cry of the '97-'98 Lady Blue Devils, a team full of talent and experience.

The team's foundation this year is based on the leadership of its seven seniors - Desiree Flournoy, Takeemah Sanders, Tenaysha Gunn, LaRae Gunn, Darkesia Gunter, Roberta Hawkins and Fatoumata Kourouma. The team's foundation isn't it's only strength, every class is represented when it comes to talent.

The juniors - Laquanda "Shack" Rouse, Nadirah Johnson and Linda Williams - are prepared to assume the leadership reins for '98-'99.

The underclasses are lead by back court phenom Amirah Smith. The future will surely be bright with the able-bodied reserves Natasha Boone, Taheesha Tonsul, Bahia Cleveland and Madirjah.

The '97-'98 girls' basketball team won their conference and advanced to the second round of the state playoffs. They finished their season with the great record of 20-2.

Boys' Basketball

The '97-'98 boys' basketball team was lead by seniors Arneze Garner, Rajohn Simms and Teyonn Murray. Gardner averaged 13.5 points per game, 5 rebounds and 2 assists. Rajohn Simms averaged 17 point per game, 6 rebounds and 2 assists. Teyonn Murray averaged 17.5 points per game, 3 rebounds and 7 assists. When the three point shots were falling and the quick moves to the basket were meeting their marks, the Blue Devils were hard to beat.

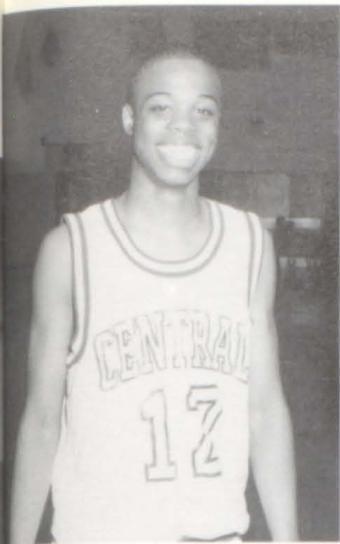

Five sophomores played a very important role in the team's performance this season. The rest of the team consisted of seniors Ibn Abdus-Salaam at guard, Rashad Dobson at guard, James Hopes at guard and Tajji Davis at point guard. Terrick Meggett, a football player whom we converted into a basketball player, served as our center for most of the season. With no prior experience Terrick did an excellent job.

The team finished the season with a record of 10 wins and 10 losses, but 3 of the losses were by one point and there were 3 by three points. The team played very hard all season and never quit in any of the games and for that I am very proud of them.

Wrestling

The 1997-1998 Central High School wrestling team experienced growing pains with the graduation of a veteran team of seniors, including Elijah Roberson, who finished 4th place in the Region III tournament. However, with hard work and dedication the team experienced a form of success early and every time they wrestled. Gilbert Rivera (sophomore) and Odell Walters (freshman) both finished in 3rd place in the Princeton tournament.

The seniors Walter Vertil, James Manigat and Fuquan Wilson provided leadership towards the end of the season; James Manigat - 7 wins, 2 losses, and Fuquan Wilson - 7 wins, 2 losses. The team finished 2 wins and 6 losses. The highlight of the season was a 45-36 win over conference rival Ridge High School.

Assistant Coach Elliott Farms was a major part of the reason for the success of this year's young team.

Bowling

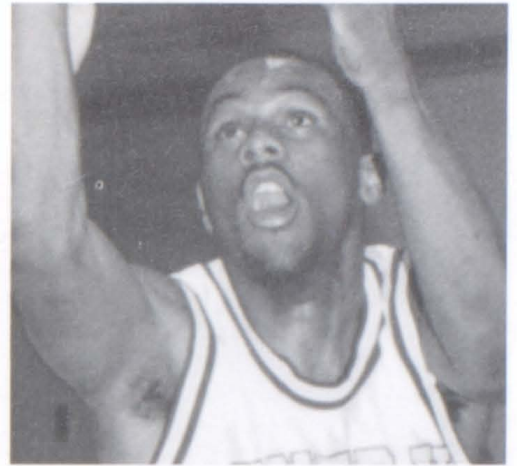

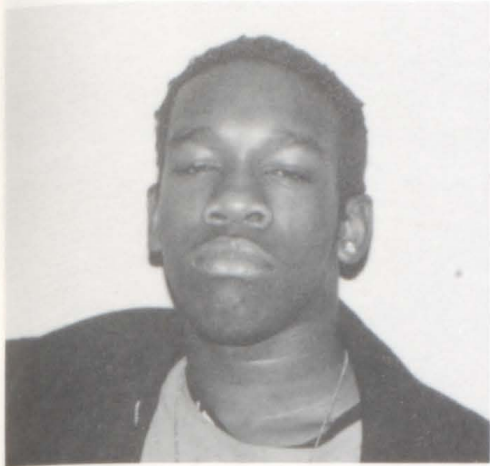

The Central High School bowling team for the 1997-1998 school year was composed of young people who had a desire to compete in a sport unfamiliar to them. Fuquan Countryman and Kawan Pierce were veteran bowlers we could always depend on in a crunch. Our rookies have a new sense of pride and are looking forward to competing next year.

FACES OF THE ATHLETES

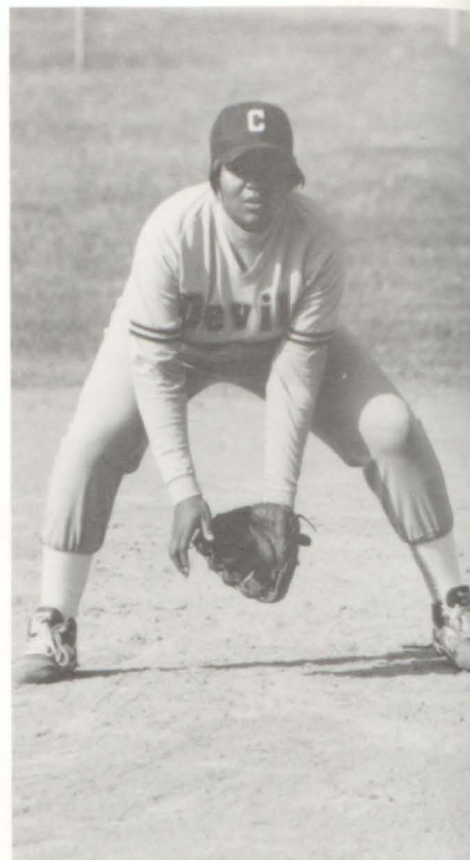

Softball

Building character through commitment.

The 1997 Lady Blue Devils played in what is probably one of the toughest conferences in the state, and learned some hard, valuable lessons from some of the toughest teams around.

Even with the loss of seniors Chermica Gardner, Naimah Marshall, Nedyiah Thomas, Zenneia Chiles and Sandra Rodriguez, the Lady Blue Devils have plenty of power returning this season. There are some key performers from last year including LaRae and Tenaysha Gunn and Tyshanna Bryant, with a quality corp of young players such as Amirah Smith, Andrea Frazier, Detra Wise and Lolali Ledlum, who will be challenging for the conference championship.

Coach Marshall believes that the key for this year's team is for our players to accept their roles. If everyone can accept them and are able to stay focused, the team could have a special season.

BASEBALL

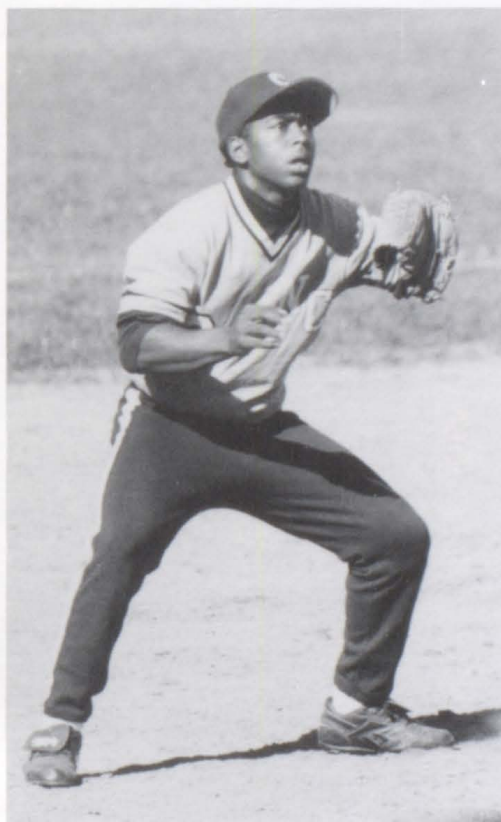

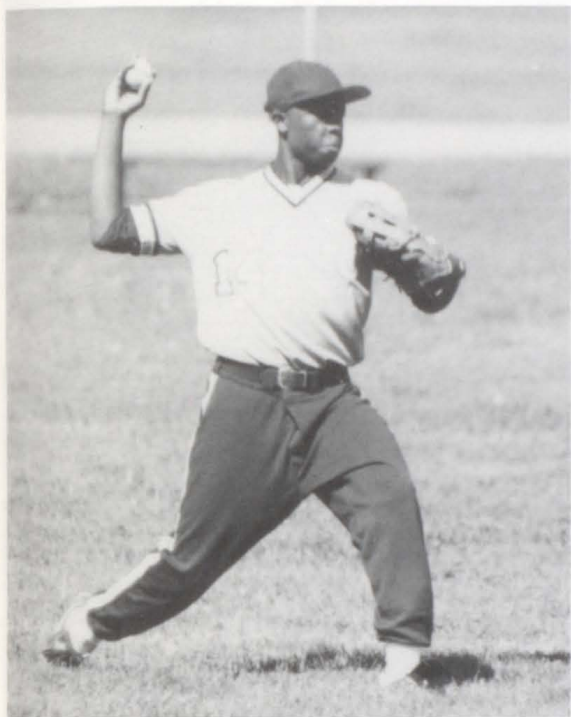

The 1997-1998 Central High School Blue Devils baseball team, with Head Coach Clarence "Teddy" Allen and Assistant Coach Jason Smith, are expected to continue in the process of being very competitive. Lead by seniors Tray Bernard and Al-Tariq Hinnant the Blue Devils are looking to improve on last year's single season win. Tray will anchor the pitching staff and be a versatile standout in the outfield. Al-Tariq, on the other hand, will be asked to anchor the infield at shortstop, and also share in the pitching duties. Returning underclassman Jimmiez Hallowsay, Mike Brown and James Smith should help the Blue Devils embark on one of its best seasons in recent years.

Boy's Outdoor Track

The 1997 boys outdoor track team had one of its finest seasons since the great teams of Mr. Steve Cole in the 1980's. The boys track team was led by seniors Farod James, Carswell Ransome, Charles Kentish, Elijah Roberson and Derrick Brown. First, the boys track team won the Mountain Valley team championship and the Essex County team championship for the first time in the school's history. Then, the team went to Hanover Park, N.J., and captured the Group II North Jersey state Sectional championship. The 1997 team had a group of underclassmen who were very important in making this a championship season, led by Aswad Salaam, Arneze Gardner, Ahmad Peterson, Abdul Cherry, Rasharn Gibson, Phillip Broner, Odson Pierre, Iquan Worthington, Saladeen Moore, Sean Odom and Darnell Thompson. In addition to this, Coach Scott Durham was named the 1997 Coach of the Year by The Star Ledger. The last time this honor was given to a Central High School coach was in 1983 to Coach Greg Stewart.

ACTIVITIES

Miss Central Pageant

The Miss "Central" Pageant was held on November 21, 1997. Eleven young ladies participated in the pageant. The purpose of the pageant was to provide the students with the opportunity to develop oratorical skills, acquire self-confidence, learn how to articulate clearly, and develop knowledge of stagecraft, self-esteem, charm, poise and positive attitude.

A panel of five judges selected Miss Freshman, Miss Sophomore, Miss Junior, Miss Senior and Miss Central. The contestants were judged on the following two categories: Introduction - appearance (gown selection), articulation and poise; Talent - selection, presentation and articulation. Mrs. Hobbs, the advisor, presented the finalist with trophies, crowns and flowers.

The pageant also featured The B.W.P. Singers and The B.T.D. Dancers.

Year Book Staff

The year book staff is a fine group of young people who juggled their commitments to sports teams, extra curricular activities and jobs with the demands of producing a year book. The 1998 year book is the result of contributions from this staff as well as various student photographers and the Central High School faculty and coaches who wrote most of the copy.
